

SAFE OPERATIONS PROCEDURE

ADVENTURE ACTIVITY

Flying Fox

- 2 Activity Supervisors are needed to run this activity for up to 15 participants
- Have extra supervision for participants that are waiting when required, to safely run the activity.
- One participant on platform at a time
- Only one participant on the flying fox at a time (max weight 100kg and minimum height of 1m)
- Activity Supervisors for Take-off end and Dismount End to go through the Check Procedure
- Participant **must** put feet in water to slow down
- Activity supervisor to take pulley off at other end and participant to walk pulley back with harness on
- Keep harnesses clean and place in container when not in use.
- No loose fitted clothing and long hair tied back
- Expectant mothers or participants with injured backs should not use

All damage and injuries must be reported to Camp Leaders and CYC Staff as soon as practical

Failure to follow these instructions could result in injury.

CYC reserve the right to close this activity if these instructions are not followed.

To contact CYC Staff go to the office
