

SAFE OPERATING PROCEDURE

Archery

- 1 Activity Supervisor per 15 participants
- Never leave the archery equipment out or unattended
- Keep bows pointed towards the targets
- Someone with previous experience or trained by camp staff must supervise this activity
- All campers not shooting must stay behind those using the bows
- Campers to collect their arrows once all shooters have finished their turn, and bows are on the ground
- If you are the last group on for the day, please return bows and arrows to CYC Staff
- No shooting if animals are behind the targets
- Do not dry fire the bows (an unloaded bow)

All damage and injuries must be reported to Camp Leaders and CYC Staff as soon as practical

Failure to follow these instructions could result in injury.

CYC reserve the right to close this activity if these instructions are not followed.

To contact CYC Staff go to the office

Technique

- Shoot
- Wait till all bows are on the ground before retrieving the arrows
- Pull arrows out straight and close to the tip
- Walk back with arrow point facing downwards until you get beyond the firing line
- Place arrows back in stand
