

SAFE OPERATING PROCEDURE

Burma Trail

- 1 Activity Supervisor per 15 participants
- This activity is done blind folded and sometimes done at night and if so extra care must be taken
- Rope and track needs to be checked for obstacles, branches, wasps, tripping hazards and that the rope is complete and in place before participants start
- Supervisors must be stationed along the rope to be watching and listening for participants that may be injured or distressed
- Participants should be encouraged to 'give it a go' but not coerced
- This should not be a timed activity and participants encouraged to complete it at their pace

All damage and injuries must be reported to Camp Leaders and CYC Staff as soon as practical

Failure to follow these instructions could result in injury.

CYC reserve the right to close this activity if these instructions are not followed.
