

SAFE OPERATING PROCEDURE

Bush Walk (CYC tracks)

- 1 Activity Supervisor per 15 participants
- There must be a competent supervisor who is leading the bush walk
- Take torches at night
- Familiarise during the day if walking at night
- The supervisor must be familiar with CYC tracks and take a cell phone
- Someone at camp must know start times and estimated time of return
- Other supervisors must be spread throughout the group to maintain motivation and control
- All walkers must have appropriate gear including footwear, first aid, and clothing
- Ensure a head count is taken before, during and after the walk
- Keep to the tracks
- Leave farm gates as you found them

All damage and injuries must be reported to Camp Leaders and CYC Staff as soon as practical

Failure to follow these instructions could result in injury.

CYC reserve the right to close this activity if these instructions are not followed.
