Christian Youth Camps is ideally located just one hour south of Manukau City and 20 minutes north of Hamilton. Nestled between the Waipa River and the stunning Hakarimata Scenic Reserve. The camp consists of 38 hectares of native bush, pastures and camping facilities. On clear days, magnificent views of the Waikato and as far south as National Park can be seen.

## ABOUT CHRISTIAN YOUTH CAMPS

CYC is an amazing place to have your next School camp, Church Camp, Youth camp or Family Reunion...

Whether you want to be busy and active or quiet and relaxing, if you want to cook for yourself or enjoy delicious meals prepared by our chefs we can help you make great memories! We offer a wide range of activities, accommodation and rooms for meetings and seminars. If your group is anywhere between 40 to 450 people, we would love to host you at our place.

# CAMP WAIKATO

Camp Waikato, also known as Camp Two, is our fully Catered site, meaning you can enjoy camp without the stress of catering for yourself. Not only is this more convenient for you and your stay at CYC, but also normally works out cheaper. Camp Waikato has a total of 246 beds, but if you want even more beds, you can easily hire Camp Waipa as well, to increase your indoor sleeping capacity to 444 people.

With a new added Self-Catered kitchen at Camp Waikato, you can now book half the site and do your own catering up to approximately 60 people, or run a culinary rotation, in your school's activity schedule.

With our Outdoor Chapel, firepit, excellent cabins, recently updated toilets, and much more, Camp Waikato is a fantastic place to host your next School Camp, Church Retreat, or Community Group. If you would like to add tents to the accommodation mix, we can cater for 750 people or more.

# CATERED VS SELF CATERED

With our Catered option, enjoying camp has never been easier. Leave the hard work to our passionate chefs and enjoy some of the best camp food around. Opt in for cooked breakfasts as well as morning/afternoon tea and enjoy your new home away from home.

At Christian Youth Camps, we also provide a self-catered option too. However, self-catered facilities are currently only located at Camp Waipa.

Having your next camp or event at CYC catered by us is a great way to be able to fully enjoy camp without having to worry about providing your own food and often works out cheaper than self-catering.

# ACTIVITIES

Christian Youth Camps offers fun, challenging, and safe activities for a wide range of groups and ages. Our camp activities are all Qualworx Certified to both national and international safety standards. This means you can enjoy our large range of activities with the peace of mind that we take our guests fun and safety seriously.

A full Activities List, SOPs (Safe Operating Procedures) and RAMs forms for all activities are available on our website under the Activities Tab. Following is a small selection of our most popular activities.

## BMX

A brilliant way to get campers outside of their comfort zones and having fun, BMX is a great activity, for the adventurous.

## FLYING FOX

Zipline across the Camp Waipa or Camp Waikato pond and enjoy an exhilarating adventure, you might even get a bit wet!

## ROCK CLIMBING

Conquer your fear of heights, increase your climbing skills, and encourage your mates to get to the top, this is always a hit with campers and with 14 climbs there's something for all skill levels.

## TARGET SHOOTING

The ridges contain occasional large rimu and rata over abundant tawa and kohekohe, and frequent hinau, rewarewa, mangeao, and pukatea, with pockets of miro, Hall's totara and tanekaha. We run our very own Holiday Camps every school holidays.

These camps are each school holidays, for ages 8-12 year olds, with a 6-8 year old camp in January, and Teens camps (13+) in January and August. We have a few other Bible based camps each year including our two leadership training camps (usual in June and November).

You can experience a world of new discoveries, hanging out with your mates, jumping into adventures, and pure fun here at CYC! Nothing comes close to a CYC camp for connecting with old friends and making new ones.

It's a time to be outdoors, try new things, and have one of the best weeks of your life! Each day of camp features a Bible talk and space for campers to ask questions about God, life and everything. We do a variety of the following activities: kayaks, archery, target shooting, mudslide, flying fox, mini-golf, paddle boats, BMX bikes, rock climbing, paintball, cookouts, bush walks, night games, raft building, hydroslide, pool, mudslide, and lots of other fun activities!
