

## SAFE OPERATING PROCEDURE

# Spiders Web

The frame work on the hill with the web of rope.

- 1 Activity Supervisor per 15 participants
- Pass all of the team through a giant spider's web.
- Each hole can only be used once/twice (depending on group numbers).
- Everyone must pass through their designated hole without

touching the web. If the web is touched, then the whole team must return to the start point.

### **Safety Concerns**

Use the team to lift and support the participants on **both** sides of the web.

Make sure the participants are not dropped.

Emphasize the importance of **entire team participation**.

**All damage and injuries must be reported to Camp Leaders and CYC Staff as soon as practical**

**Failure to follow these instructions could result in injury.**

**CYC reserve the right to close this activity if these instructions are not followed.**
