

SAFE OPERATING PROCEDURE

Spiders Web

The framework on the hill with the web of rope.

- 1 Activity Supervisor per 12 participants
- Inform CYC host of any malfunctioning equipment
- Pass all of the team through a giant spider's web.
- Each hole can only be used once/twice (depending on group numbers).
- Everyone must pass through their designated hole without touching the web. If the web is touched, then the whole team must return to the start point.
- Wear a hat and sunscreen

Safety Concerns

Use the team to lift and support the participants on **both** sides of the web. Make sure the participants are not dropped. Emphasize the importance of **entire team participation**.

All damage and injuries must be reported to CYC Staff as soon as practicable. Failure to follow these instructions could result in injury. CYC reserve the right to close this activity if these instructions are not followed.
